## WHO WE ARE

Sentry Solutions, LLC is a Service Disabled Veteran Owned Small Business that provides comprehensive solutions and support services to federal government agencies (classified/non-classified contracts) and prime contractors. We are a highly respected, service-oriented business built on strong client relationships, tailoring its services to meet its customers' specific needs. The calling card of Sentry Solutions is our unyielding commitment to integrity, quality, innovation, and collaboration.

Our value proposition to our clients and partners is the consistent delivery of high quality solutions that maximizes effectiveness without sacrificing innovation. Our approach focuses on delivering a befitting balance of character, competency, and chemistry to each project, resulting in continuous process improvement from cradle to grave.

## CHARACTER

Character is our "moral compass" and guides us in business every day. Sentry Solutions' calling card is our unyielding commitment to integrity, fortitude, honor and selfless service.

## COMPETENCY

We understand that competence is created through knowledge, skills, and attitude. Great competence brings great confidence, which in turn yields maximum effectiveness.

## CHEMISTRY

Chemistry is a combination of trust, dependability, and a true desire to exceed expectations. Chemistry is a critical trait that allows us to build the strongest business relationships.

## CONSISTENCY

We are consistent with tailoring our services to meet each client's specific needs. This directly leads to a predictable work-ethic and good communication, resulting in more successful client relationships.

We stand ready to provide comprehensive, **Mission-Driven Solutions** to your organization.

## CORE COMPETENCIES

- Program Management

## EXPERIENCE

### DHA DMLSS CONUS Facility Support Services

**APRIL 2021-PRESENT**

We provide comprehensive Program Management and Administrative Support to the Defense Health Agency's (DHA) Defense Medical Logistics Standard Support (DMLSS) Program and deliver technical services in support of Facilities Logistics to over 400 Medical Treatment Facilities (MTFs) and Medical Research Facilities in the Continental United States.

### DHA DMLSS OCONUS Facility Support Services

**AUGUST 2021-PRESENT**

We provide comprehensive database management technical support, and administrative support to the Defense Health Agency's (DHA) Defense Medical Logistics Standard Support (DMLSS) Program in support of Facilities Logistics to overseas Medical Treatment Facilities (MTFs) located in Hawaii and Guam.

### Ft. Hood Real Property Installed Equipment (RPIE) DMLSS Data Entry

**APRIL 2021 - AUGUST 2021**

Provided DMLSS data entry for over 52,000 Real Property Installed Equipment (RPIE) items at the Darnall Army Medical Center and outlying facilities at Ft. Hood, Texas. Our experienced team of RPIE Analysts and Quality Assurance Technicians follow the Real Property Systems Standards to ensure complete data accuracy and record compliance.
